Korea Atomic Energy Research Institute:

As detailed in the engagement letter on file with the FARA unit, Covington assisted the Korea Atomic Energy Research Institute on matters involving nuclear cooperation between the Republic of Korea and the United States, especially as they related to the negotiation of an agreement to succeed the Agreement for Cooperation Between the Government of the United States of America and the Government of the Republic of Korea Concerning Civil Uses of Atomic Energy and the effect of such an agreement on technologies of research interest to KAERI. Covington also advised KAERI on the implications of a new agreement and advocated for provisions that advanced cooperation on technologies of research interest to KAERI, and discussed U.S. policy on 123 Agreements with segments of the U.S. business community.
